

COMPLETED PASS—What Norristown High set out to do Friday night was officially crowned with success yesterday afternoon when John Boothby, right, Lower Merion High football captain, brought the I. Scott Boyd Memorial Trophy to Norristown and presented it to NHS Captain Bob Eastwood, left. The trophy was placed in competition a number of years ago by D. Rae Boyd and annually goes to the winner of the game. Boothby, a halfback, was unable to play Friday night because of previous injury.
