Norristown High School.

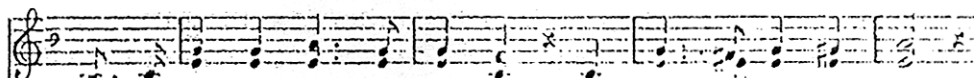

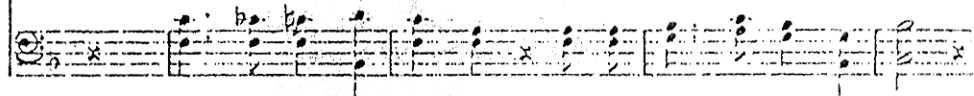

H. SEVERN REGAR, Class of 1907.

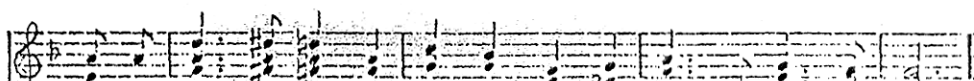

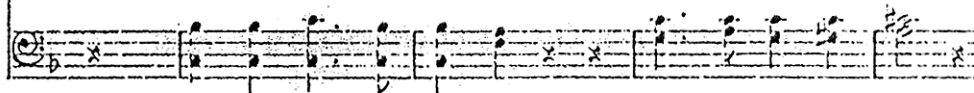

1. Tho' the earth be filled with flow - ers, Most beau - ti - ful and sweet;  
2. In all kinds of school ath - let - ies, No hon - or do we lack;  
3. When our four year course is end - ed And we leave the school so dear;

And the ros - es and the lill - ies, Hide the path - way at our feet;  
For to Nor - ris - town we're giv - ing Vict'ries won on field and track;  
We will make the world take no - tice Of our challenge, "Look who's here;"

Oh, the blue and white shy vio - lets, Will e'er be our de - light,  
With a spir - it nev - er conquered, For N. H. S. we fight;  
For we've learn'd that white means pureness, And blue means worth and right,

For they wear the loy - al col - ors Of our em - blem Blue and White,  
And we nev - er growl at be - ing Black and blue for Blue and White,  
So our lives shall be the wit - ness Of our love for Blue and White.
